YAMAGATA MALAYSIA

Company Profile

Message from Management

YAMAGATA Corporation (previously known as Yamagata Printing Co., Ltd.) was founded in 1906 as a general printing company which focused on typographic printing. Currently, the company's network is over 30 operations worldwide and is expanding its business as a comprehensive solution provider of document planning, production, and printing, digital content production, and various consultation services.

YAMAGATA Corporation proposes to provide its unique manual production culture the world which was built on its expertise and know-how obtained through its manual production/ fabrication experiences for major companies in Japan.

In June 2005, YAMAGATA Corporation celebrated its centennial anniversary thanks to your continued support. We believe that the achievement was made possible by the company's "DNA", so to speak, which was passed down from generation to generation, instilled with the teaching that "our company has to always make an effort to meet the changes of the company's centennial anniversary, we changed our name from Yamagata Printing Co., Ltd. to YAMAGATA Corporation, and we added "YAMAGATA" to the beginning of all our group companies' names in order to make a fresh step forward to the next 100 years.

Taking advantage of the strength that the YAMAGATA Group can provide in comprehensive services ranging from system development, planning, production, to printing, the company will continue to do its utmost to provide better services to the satisfaction of its customers by quickly corresponding with ever-evolving multimedia technologies, without limiting our capability to produce proper manuals.

The YAMAGATA Group sincerely hopes that we will further grow as a genuine "Interface Provider" which can foresee and cater to any changes in coming years so that we will always be needed by customers.

Yamagata Corporation
R. Yamagata

Vision To become the first choice Global Media Solution Provider

Mission To be the preferred Media Solution Provider by upholding our core values to achieve Total Customer Satisfaction

Challenge for the Best CS

Our business starting from manual production to printing have been supported by our customers' patronage and support for many years. We will continue to make new proposals whenever possible so that we can accommodate our customers' ever changing needs as their reliable partner. We created our corporate slogan "Challenge for the Best CS (Customer Satisfaction)" with the aim of all staff contributing to the production of customer-oriented products through their pride and responsibility as professionals. Please look forward to the YAMAGATA Group's innovative changes in the future.
